

## Black repairable rechargeable mouse - REVIVE

### THE FIRST REPAIRABLE MOUSE

Mouse fully repairable thanks to its simplified design and disassembly. No glue used and only one screw on the entire mouse, allowing for simple, tool-free disassembly. Each part is available and replaceable in the event of wear or breakage. Use your mouse via Bluetooth or take advantage of its simple Plug & Play connection with its USB dongle. Plug in and browse instantly. It has two easily accessible shortcut buttons on the side. Its automatic sleep mode helps extend the life of your mouse's battery when it remains without movement for a few minutes. Ultra precise with its high-end sensor which allows you to go up to 6400 DPI, which allows very precise tasks such as gaming or graphics. Excellent autonomy thanks to its 600 mAh battery. Compatible with any device with a USB port or Bluetooth connection (Mac, PC, tablet, etc.).
