15,6" PC bag ANTIBES

LIGHTWEIGHT, PADDED PROTECTION

Carry and protect your computer with our eco-friendly Antibes bag! Made from 75% recycled textile (RPET), the Antibes bag is part of an environmentally friendly design process. The Antibes bag combines ecology and style with its mottled grey design!

The bag is equipped with a padded main compartment made of high density foam, with 3 compartments, allowing you to safely store your laptop up to 15,6", your charger and other accessories such as notebook, notebook.... On the front of the case you will find two additional pockets, one of which is zipped, for documents or other personal belongings. The case is designed for "toploading": your computer is loaded from the top of the case.

Antibes is equipped with two reinforced and comfortable handles to carry your laptop. You will also be able to attach a removable strap provided with your case thanks to the two metal fasteners located on the sides. There is also a trolley attachment on the back of the bag, so you can easily carry it on your travels.
