15.6" CITY laptop case

THE CITY IS YOURS

T'nB's new look for luggage!

Enter a whole new era by discovering how we've combined modernity and innovation. This case is going to revolutionise your daily travels thanks to its many assets.

The 5 mm shape memory provides optimum protection for your device against the slightest impact, giving you peace of mind.

The soft touch we've added to the interior doubles this protection, preventing scratches of any kind.

No more accessories getting lost in the case, thanks to the integrated organiser, with its elastic bands and dedicated pockets, you can organise and store your accessories as you please and find them in an instant.

The clamshell opening is also an advantage, giving you quick access to your accessories.

The rear pocket is dedicated to your camera, so you can carry and protect it with complete peace of mind.

The additional front pocket is perfect for all your personal belongings.

Pockets have been added under the handles, giving you extra discreet storage space.

The padded handles offer comfort and design for everyday use.

The all-new design of this case brings a modern, elegant style that you can proudly display in a professional or personal environment.

This case is practical. Its light weight makes it comfortable to carry. Its trolley strap lets you slip it onto a suitcase/trolley so you don't have to worry about getting bogged down when you travel.

As well as being water resistant, this case is made from 92% RPET material, i.e. recycled and recyclable plastic. A real boost for the planet.
