360° Adjustable Notebook Stand with Detachable 5-in-1 Hub - iClick

3-IN-1: NOTEBOOK STAND, USB-C HUB, AND PHONE STAND

Adjustable aluminum iClick stand for notebooks up to 16 inches.
Retractable, tiltable, and precisely adjustable thanks to its ball-bearing rotation system, allowing for easy 360° positioning.
Allows you to position your notebook at the ideal height for your setup.
Equipped with a modular USB-C hub that is easily removable and portable with a single click. Leave your desk and take your hub with you.
The hub has all your essential connections: 1x USB-C port to connect to your PC/Mac with the included cable, 1x 100W USB-C port to connect your charger directly to the hub,
1x 4K 30Hz HDMI port for connecting an external monitor, 1x 1Gbps RJ45 port for Ethernet connectivity, and 2x 5Gbps USB-A ports for all your data transfers. The stand also features a fold-out MagSafe magnetic phone holder for easily positioning your iPhone next to your computer.
Its non-slip pads ensure a secure grip on your desk. Similarly, the pads on the top platform provide optimal support for your device.
