10,000 mAh MagSafe power bank

NEVER RUN OUT OF BATTERY AGAIN

MagSafe 10,000 mAh Power Bank

Charge your device on the go, wherever you are.

The MagSafe 10,000 mAh Power Bank offers a portable and stylish charging solution for your MagSafe-compatible Apple devices. Precision-engineered to fit seamlessly into your mobile lifestyle, this compact battery keeps you charged wherever you go.

Key Features:

MagSafe Compatibility: This battery is specifically designed for MagSafe-compatible Apple devices, ensuring a secure magnetic connection for effortless charging.

10,000 mAh Capacity: With 20W of power via its USB-C port, this battery offers reliable and fast charging, ensuring you never run out of power when you need it most.
Compact and Lightweight Design: Its slim and lightweight design makes it the ideal accessory for travel, slipping easily into your pocket or purse without adding extra weight.

Stand Function: Thanks to its foldable metal stand, you can use your power bank as a phone stand, so you can watch your favorite digital content without holding your smartphone in your hands while charging it.

High-Quality and Eco-Friendly Materials: Made with premium, environmentally friendly materials. All plastic and metal are 100% recycled, this power bank is shock and scratch resistant, ensuring long-lasting durability.

LED Indicators: Built-in LED indicators allow you to quickly check the remaining charge level, giving you complete control over your battery life.

Easy Charging: Recharge the battery itself using the included USB-C cable, ensuring maximum compatibility with your other devices.

The MagSafe 10,000mAh Power Bank is the perfect accessory for those looking for a portable, fast, and stylish charging solution. Never run out of power, wherever you are.

The pack includes a metal ring that allows you to convert your non-MagSafe smartphone to a MagSafe-compatible one.
