

## 5000 mAh MagSafe power bank

**NEVER RUN OUT OF BATTERY AGAIN**

### MagSafe 5000 mAh Backup Battery

Charge your device on the go wherever you are.

The MagSafe 5000 mAh Power Bank offers a portable and stylish charging solution for your MagSafe-enabled Apple devices. Precisely designed to fit seamlessly into your mobile lifestyle, this compact battery pack keeps you charged wherever you go.

#### Main Features :

**MagSafe Compatibility:** This battery is specially designed for MagSafe-compatible Apple devices, ensuring a secure magnetic connection for effortless charging.

**5000 mAh capacity:** With 20W of power via its USB-C port, this battery offers reliable and fast charging, ensuring you never run out of battery when you need it most.

**Compact and Lightweight Design:** Its slim and lightweight design makes it the ideal accessory for on the go, easily slipping into your pocket or purse without adding extra weight.

**Stand function:** Thanks to its folding metal foot you can use your powerbank as a phone stand, so you can view your favorite digital content without holding your smartphone in your hands while charging it.

**High-quality and eco-friendly materials:** Made with high-quality, environmentally friendly materials. All plastic is 100% recycled, this power bank is impact and scratch resistant, ensuring long-term durability.

**LED Indicators:** Built-in LED indicators allow you to quickly check the remaining charge level, giving you full control over your battery life.

**Easy Charging:** Recharge the battery itself using an included USB-C cable, ensuring maximum compatibility with your other devices.

The MagSafe 5000 mAh Power Bank is the perfect accessory for those looking for a portable, fast and stylish charging solution. Never run out of battery, wherever you are. You have a metal ring in the pack that allows you to convert your non-MagSafe smartphone into MagSafe compatible
