Backup battery 5000mAh compatible MagSafe - LEMON EXCLUSIVE

DO NOT RUN OUT OF BATTERY

Discover our new ultra-compact 5000 mA emergency battery: the essential accessory to stay connected without limits!

With its stylish and colorful design, this portable battery not only captures the eye: it also offers remarkable performance for all your compatible devices. Thanks to its ultra-fast 15W wireless charging technology, simply place your phone on the battery and watch your charge level rise in a flash. Ideal for iPhone users, this battery is compatible with MagSafe technology, ensuring secure attachment and optimal charging efficiency without interruption.

For those who prefer a wired solution, our battery also offers a 20W USB-C super-fast charging option, allowing you to charge your devices at exceptional speed. Small but powerful, this super compact mod fits easily into any bag or pocket, making carrying a reliable power source easier than ever.

Perfect for travel, long days away from home or just everyday use, our battery backup ensures you stay operational, entertained and connected, wherever you are and whenever you want.

Never let your battery die at the wrong time again. Opt for convenience, speed and style with our 5000 mA battery backup.
