MagSafe compatible 5000mAh emergency battery - MARRAKECH EXCLUSIV

NEVER RUN OUT OF BATTERY AGAIN

Meet our new 5000mA ultra-compact power bank: the essential accessory to stay connected without limits!

With its sleek and colorful design, this portable battery doesn't just catch the eye: it also offers remarkable performance for all your compatible devices. Thanks to its 15W ultra-fast wireless charging technology, simply place your phone on the battery and watch your charge level rise in a flash. Ideal for iPhone users, this battery is compatible with MagSafe technology, ensuring a secure attachment and optimal charging efficiency without interruption.

For those who prefer a wired solution, our battery also offers a 20W USB-C ultra-fast charging option, allowing you to recharge your devices at exceptional speeds. Small but powerful, this super compact model easily slips into any bag or pocket, making carrying a reliable source of energy easier than ever.

Perfect for travel, long days away from home or just everyday use, our power bank ensures you stay powered up, entertained and connected, wherever and whenever you want.

Never let your battery fail you at the wrong time again. Opt for convenience, speed and style with our 5000mA power bank.
