5000 mAh MagSafe power bank

NEVER RUN OUT OF BATTERY AGAIN

Discover our new ultra-compact 5000mAh power bank: the essential accessory to stay connected without limits!

With its sleek and colorful design, this portable power bank not only catches the eye but also delivers outstanding performance for all your compatible devices. Thanks to its ultra-fast 15W wireless charging technology, simply place your phone on the power bank and watch your charge level rise in a flash. Ideal for iPhone users, this power bank is compatible with MagSafe technology, ensuring a secure connection and optimal, uninterrupted charging efficiency.

For those who prefer a wired solution, our power bank also offers a 20W USB-C ultra-fast charging option, allowing you to recharge your devices at exceptional speed. Small but powerful, this super-compact model easily slips into any bag or pocket, making carrying a reliable power source simpler than ever.

Perfect for travel, long days away from home, or simply for everyday use, our power bank ensures you stay powered, entertained, and connected, wherever and whenever you want.

Never let your battery die on you at the worst possible moment again. Choose convenience, speed, and style with our 5000 mAh power bank.
