Studio-quality multi-directional microphone pack – INFLUENCE PRO

CREATE, SHARE, INSPIRE – ONE MICROPHONE FOR ALL YOUR CONTENT.

Sound that enhances your voice

Express yourself with professional clarity, whether streaming, podcasting, interviewing, or singing. Thanks to its high 96kHz/24-bit resolution and full 20Hz-20kHz frequency range, your voice retains all its depth and naturalness.

Total versatility for your creativity

With its 4 pickup modes (cardioid, omnidirectional, stereo, bidirectional), you choose the sound environment that matches your content: solo, duet, group, or total immersion.

A smooth and intuitive experience

Pure and natural voice: integrated pop filter to eliminate unwanted noise.

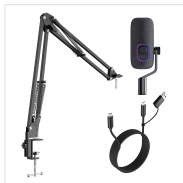

Instant monitoring: plug in your headphones and control your sound in real time.

Simplified control: touch mute button and volume control at your fingertips. Designed for you

Dynamic atmosphere: RGB LED lighting to enhance your sessions.

Easy setup: Plug & Play USB connectivity (Windows PC, Mac, tablets).

Articulated arm included: Position your microphone like a pro, effortlessly.
