

## Folio case for iPad Air 11 inch M2 tablet

### CARRY YOUR IPAD IN COMPLETE SAFETY!

Choose this folio for your new 11-inch iPad Air (M2).

It guarantees security and peace of mind with its reinforced edges that protect your iPad from knocks and drops. Its dimensions fit your tablet perfectly for optimum protection.

The magnets in the flap ensure that it fits perfectly over your iPad screen when you close your folio, protecting it from scratches.

What's more, this intelligent flap can be detected by your iPad, automatically activating the sleep/wake function. Your iPad goes to sleep and is automatically activated by the movement of your folio.

The three flaps of the flap can be set in two positions, allowing the iPad to be used in both writing and viewing mode.

The dimensions have been designed so that you can magnetise your Apple Pencil / Apple Pencil Pro every time you use it.

The case is slightly transparent, so it shows off the back of your Apple tablet.
