60W USB-C to USB-C Neckband Cable – 2-in-1 Green

NO LONGER CHOOSE BETWEEN PRACTICALITY AND MOBILITY: CARRY AND CHARGE YOUR SMARTPHONE IN A SINGLE MOVEMENT

Discover the USB-C to USB-C neckband cable, the 2-in-1 accessory that's revolutionizing your daily life. Designed to combine style, practicality, and durability, this cable lets you charge your smartphone while keeping it close at hand. Thanks to its 1.50 m length and adjustable size, it adapts to all body shapes and situations: on the go, at festivals, on a walk, or at work. The cable provides fast charging up to 60W, compatible with all USB-C devices, for maximum efficiency. Its 100% recycled rPET braided sheath, recycled aluminum connectors, and 50% recycled copper reflect a strong eco-responsible commitment. The clip-on metal tips protect the connectors when the cable is not in use. A thin, discreet retaining plate slides between your case and your smartphone to ensure a secure fit without damaging your device.
Designed to accompany you everywhere, this neckband cable becomes a fashion accessory that is as useful as it is essential.
