TNT2 Full HD Decoder – Enjoy TV like never before!

PERFECT PICTURE, IMMERSIVE SOUND AND TOTAL CONTROL OVER YOUR TV PROGRAMS.

Discover the TNT2 Full HD decoder, the perfect ally for a complete and high-performance TV experience. Thanks to its automatic and manual scan, easily access all available TV and radio channels. Enjoy exceptional image quality in Full HD, compatible with MPEG-1, MPEG-2, MPEG-4, H.264 and H.265 formats.

Its HDMI 1.4 or SCART output adapts to all TVs, while its advanced Dolby Digital audio processor offers you rich sound. Manage your content as you wish with the PVR recording function, time shifting and multimedia playback via USB.

The electronic program guide (EPG) allows you to plan your shows over 7 days, and the parental lock guarantees total control of the content viewed. Thanks to a user-friendly interface available in several languages, the TNT2 Full HD decoder adapts to all your needs.

Highlights:

Automatic and manual search for TV and radio channels

Full HD quality with support for the latest MPEG formats

Versatile connectivity: HDMI or Scart

Record, pause and play function via USB

7-day interactive TV guide (EPG)

Parental lock for added security

Intuitive multilingual interface

With the TNT2 Full HD decoder, never miss a program again and enjoy TV that is always under control!
