Car smartphone holder for air vents – 360° rotation – Compact & discreet

KEEP YOUR SMARTPHONE WITHIN SIGHT WITHOUT CLUTTERING YOUR DASHBOARD!

This smartphone car mount easily attaches to your vehicle's air vent. Compact and discreet, it blends seamlessly into the interior without obstructing visibility or access to controls. Designed to accommodate smartphones up to 7 inches, it provides a reliable and stable hold, even on winding roads.

Thanks to its 360° rotating head, adjust your phone to portrait or landscape mode to suit your needs: GPS navigation, hands-free calling, or music control—everything remains accessible with a simple gesture.

Its installation requires no tools! Ideal for everyday commutes and long road trips.
