

Dashboard jaw suction cup holder

UNRIVALED STABILITY!

This suction cup jaw holder is ideal to access your smartphone in your vehicle in one gesture. Composed with an 180° adjustable axe, it can strongly hold your smartphone close to your air-vent thanks to your dashboard's stability. Its latest generation fixation offers an adhesive suction cup paired with a 3M fixation that ensures an unrivalled hold. In order to adapt to any Smartphones up to 7", the size of the jaw is adjustable. There is an adjustable foot at the bottom of the product as well to avoid any fall of your smartphone. Robust and design, the UHOLDDASH and its matt finish will perfectly fit in your car.
