

## Smart ECO air vent grid jaw holder

### YOUR ESSENTIAL HOLDER!

You are looking for a compact and discreet mount to hold your smartphone in your vehicle ?

The UHOLDECO is made for you. It can be installed or removed from any air vent, in one gesture and it's compatible with most of the cars, trucks and camper vans. It is universal and compatible with all smartphones up to 6".

The holder is made with 71% of ecologic materials: PLA or bio-plastic, fully biodegradable

Its grey finish give this compact holder a sober and old-school look that will fit your car perfectly.

Compact, handy and discreet, the UHOLDECO will quickly become your journeys' go-to holder!
