

Magsafe suction cup mount for smooth surfaces

THE SUCTION CUP MOUNT THAT FOLLOWS YOU EVERYWHERE!

Compact and clever, this mount will accompany you both at home and in the car.

This mount can be attached to any smooth surface, including plastic, acrylic, glass, metal, and ceramic tile, making it a versatile accessory for home, office, or travel. Ideal as a mount in your car, it's also perfect for home use... Whether you're holding a makeup tutorial or a recipe, this mount will adapt to your activities.

Ideal for city cars, its suction cup with manual locking function and powerful magnet ensure your phone is held securely and stably.

This magnetic system allows for one-handed operation and access to the phone's buttons and charging port.

Its telescopic arm, 360° rotation, and adjustable magnetic head offer multiple viewing angles to suit your vehicle or video calling needs.
