## Waterproof hard shell smartphone holder with QUICK LOCK system - universal for bikes and scooters

**STAY CONNECTED AND PROTECT YOUR SMARTPHONE FROM THE RAIN ON THE GO!**

Stay connected and protect your smartphone from the rain on the go!

- Optimal protection: Thanks to its hard, water-resistant shell, your smartphone is protected from drops, dust, and rain.
- Touchscreen: Once closed, you can still use your smartphone thanks to the touchscreen window.
- Sturdy mount: Securely attaches to the handlebars and resists vibrations during your rides.
- Flexible orientation: Can be adjusted to portrait or landscape mode according to your needs.
- Integrated visor: Designed with a small visor against the sun and splashes, it prevents glare from your smartphone's camera and makes the screen more readable in direct sunlight.
- QUICK LOCK: Equipped with a QUICK LOCK system, it allows you to easily detach this mount and store it in your bag or quickly and securely attach it to the handlebars. Simply press the blue button to release it. To attach it, simply place the case on the mount and it snaps into place.
- Compatible with any smartphone up to 7.2 inches
- Compatible with any handlebar with a diameter of 20 to 30 mm
