

Frame lock for bike

ATTACH YOUR LOCK TO YOUR BIKE FRAME AND SECURE IT

Do you leave your bike parked outside? Use our ultra resistant lock. It ensures flawless security thanks to its steel material and a key lock. You can attach the bike wheel to the frame to block it and so secure your bike. Thanks to its fixation included, you will not have to transport in your bag or take it out with you, it remains attached on your bike et make your trips easier.
