Manual bicycle / scooter pump

THE IDEAL PUMP FOR ALL YOUR OUTINGS!

Discover the T'nB hand pump for bikes and scooters. The pump is compatible with both Schrader and Presta valves. Its dual-piston design allows for more air to be released when inflating. The pump features a locking system that locks the valve during inflation. At the bottom of the pump, a handle folds out for easy movement during inflation. With a folded height of 23 cm, its compact size makes it easy to transport, so you'll always have it close at hand when needed!
