

Urban Moov - Charge and maintenance - Maintenance

Universal floor pump 11 bars

IDEAL FOR INFLATING YOUR BIKE OR SCOOTER TIRES!

This floor pump is ideal for inflating your bike or scooter tires. It connects to all types of valves (Presta/Schrader/Dunlop) by clipping via the universal head. With its three adapters provided, it allows you to inflate a wide variety of inflatable objects (ball, inflatable pool, inflatable mattress, etc.)

Its folded height of 63 cm and unfolded max. of 95cm makes inflation less tiring and offers you optimal comfort during the process.

The pump is equipped with a raised pressure gauge for easy visibility. It also has non-slip feet for added stability.

Main Features :

Maximum pressure of 11 bars

Height of 63 cm for less effort

Compatible with Presta, Dunlop and Schrader valves

3 adapters provided to inflate balloons, inflatable pools and inflatable mattresses

1 removable flexible hose for easy access to the valve.

Non-slip feet

Robust steel body with a diameter of 38 mm

Pressure gauge with pivoting ring to display the value in BAR and PSI

Raised pressure gauge for easy visibility
