Urban Moov - Charge and maintenance - Maintenance

## Solid 10" tyre for scooter

### PUNCTURE-PROOF TYRE !

This Scooter tyre is compatible with all 10" wheel scooters.  
The main characteristic is in its conception : a solid tyre does not need inner tube, and so is puncture-proof.  
Moreover, the cells on the side increase the shock absorption effect and the comfort on the road.  
Shock absorber and resistant, the solid tyre does not need any maintenance or repairs : Hit the road with serenity !  
The tyre keeps the characteristics and performance of your scooter : natural shock absorption, speed, battery life.
