

Bell for bike handlebar

CLEAR SOUND AND INIMITABLE RETRO STYLE!

Combine the heritage of vintage codes with modernity and the urban trend through this Urban Retro handlebar bell.

Signal yourself and stay safe with clear and powerful sound, and stand out with its unmistakable style!

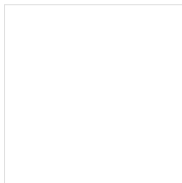

Composed of a brass dome 57 mm diameter and a metal push button, its use is very simple.

The bell is compatible with handlebars from 22 to 31.8 mm in diameter.

As these are the little details that make the style, appreciate the Urban Retro logo engraved on the dome and assume your vintage lifestyle right down to your fingertips!
