Bike gloves

PROTECTION THAT OFFERS INIMITABLE STYLE

Combine the heritage of vintage codes with modernity and the urban trend through this pair of gloves.

Make a difference with this fashion accessory in its own right, made of sheepskin.

To increase the comfort of use, the interior finishing is cotton-made, the palm of the hand is equipped with a foam padding, and 4 openings are present at the level of the phalanges.

The height of the mitten is 14 cm, the width 10,5 cm.

As the small details make the style, the glove is closed thanks to the Velcro placed on the wrist, on which is inscribed the Urban Retro logo.
