

Smartphone handlebar holder

ENVOY YOUR SMARTPHONE WHILE CYCLING!

Combine the heritage of vintage codes with modernity and the urban trend. Universal, this support adapts to all smartphones from 55 to 105 mm wide. Compatible with all handlebars from 22.2 to 32 mm in diameter, it attaches very easily: you only need an allen key (included) to screw the support onto your handlebar. The adjustment wheel allows you to install the smartphone in seconds. Versatile, this support allows you to position the smartphone in portrait or landscape mode. Its aluminum composition guarantees strength and stability. The support is supplied with silicone strips, to be positioned between the fixing ring and the handlebar in order to guarantee good support and avoid scratches. As it's the little details that make the style, appreciate its sleek design and retro finish!
