Urban Retro trouser straps

THE PERFECT ACCESSORY TO COMBINE COMFORT AND VINTAGE STYLE

Combine the heritage of vintage codes with modernity and the urban trend through these Urban Retro trouser clips.

Tie these pants ties at your ankle. This will prevent your pants from getting caught in the chain of your bike or getting dirty while using your bike.

The trouser clips are 35 cm long and 3 cm wide.

They have 4 degrees of fixing and are attached using 2 buttons in order to tighten them to the right size.

As it is the small details that make the style, the Urban Retro logo is embossed and the silver fastening buttons make this accessory essential!
