

5-in-1 cleaning kit for records and turntables

THE PREMIUM KIT FOR YOUR VINYL MATERIAL!

5-in-1 cleaning kit for records and turntables, including:

- * 1 carbon fiber brush to effectively remove dust from records and turntables. The carbon fibers, with antistatic properties, prevent dust from settling naturally on the supports. The aluminum handle allows a good grip.
- * 1 velvet brush for more regular cleaning. removes dust without damaging the surface of the disc. Its wooden handle gives this kit a very vintage look.
- * 1 cleaning fluid for deep cleaning of the vinyl (stains, fingerprints)
- * 1 microfiber cloth to apply the cleaning liquid to the vinyl without damaging it.
- * 1 applicator brush + fluid to precisely clean the diamond of vinyl turntables.
